

## FLYERS Afterschool Program

*"Fun Loving Youth En-Route to Success"*

The FLYERS program was established over 25 years ago in partnership with the Fort Mill School District with the intention of creating a safe place for working parents to leave their children that encourages education, socialization and outdoor exploration. Homework, crafts, centers, snack and outdoor play are all part of the FLYERS Afterschool experience. Supplementary programs such as Science and Nature and Fit Kids are also provided to students focusing on sports, character building and environmental stewardship. FLYERS staff are experienced teachers and caregivers that strive to provide a 1:12 staff-to-student ratio. Children in Kindergarten through 5th grade will engage in activities that encourage creativity, social relationships, appropriate behavior and positive self-image.

### Please Note:

Thank you for trusting the FLYERS Afterschool Program with your child. Once your child is registered please watch for an email from **CampDoc in July 2018**. This email will allow you to create an account where all of your child's pertinent enrollment information will be stored. All fields **MUST** be filled out before your child can attend the program to be sure that we can care for your child in the best way. Also, please note that a new registration form is required with each new FLYERS session ensuring that our records are always up to date.
