

WEEK 8: October 16th

Fall Frolic

Rush Pavilion

Ages 6 - 9

Students are in for an a-maize-ing time at our Fall Frolic. This fun-filled afternoon will combine both fun and education as children navigate a corn maze, jump over and around hay bales, learn all about corn and pumpkins (their uses and how they are formed and farmed) and spend some time learning about the different animals at our petting zoo.
