

# GREENWAY SPEAKER SERIES

## Making Goat's Milk Soap

March 14, 2020

Speaker: Jonas Sewell, Our Table Farms

Have you ever thought about making your own soap but just didn't know where to start? If you are interested in learning about goat's milk soap, please join us at Anne Springs Close Greenway for March's Speaker Series. Jonas Sewell from Our Table Farms will be here to talk about the benefits of using goat's milk soap and discuss the process of soap making. The farm will also provide different soaps and lotions for purchase.

### About the Speaker:

Jonas and his family own and operate a small family homestead farm in Ridgeway, SC. Jonas grew up working on his grandfather's cattle farm in Colbert, GA, where he was taught the value of simple living and self-sustaining habitats. He and his wife, Debra, wanted a better life for their growing children and wanted to teach them the importance of living off of the land. They began making soap first just for their family and friends and to help with Debra's battle against eczema. Slowly word got out and their little soap company was born! From our table to yours, we hope you enjoy the simple goodness of Our Table Farms Goats Milk Soap and lotions!

## THE DETAILS

### Location

Adventure Center | 104 Adventure Road | Fort Mill, SC

### Cost

This event is free to Greenway members, \$6 for non-member adults and \$4 for non-member youth ages 5-12 years.

### Time

Complimentary refreshments will be provided at 10am and speakers begin at 10:30.

### FYI

In an effort to be more environmentally responsible, we encourage attendees to bring their own coffee mugs to minimize waste from single-use cups!
