ABOUT GREENWAY DISCOVERY SCHOOL

The Anne Springs Close Greenway
has developed a program to help
meet the needs of local families
during the unique situation of the
'20-'21 school year. Students on an
A/B in-school schedule will have the
opportunity to attend the Greenway
Discovery School which provides
a fun, structured option for out-
of-school days. Staffed by camp
and childcare employees, your
child will be immersed in several
different academic and recreational
opportunities each day.

THE HIGHLIGHTS

- Full day program with academic support
- Located on 2,100 acres of outdoor space
- Technology center
- Elective programs to meet your child's interests
- Structured environment
- Safe, small group interaction with peers
- Daily health screenings
- Priority on consistently being outdoors
