AT ANNE SPRINGS CLOSE GREENWAY

THE ANNE SPRINGS CLOSE GREENWAY

Welcoming nearly 300,000 visitors annually, the Anne Springs Close Greenway is a 2,100-acre protected nature preserve that promotes recreation and learning activities for the entire region. Nestled amid beautiful lakes and hardwood forests, the Greenway offers 40+ miles of trails for hiking, biking and horseback riding as well as opportunities for picnics, kayaking and more.

As a non-profit organization, the Greenway receives no tax money to build, maintain and operate trails and facilities. Support from corporate partnerships, memberships, and

contributions allows us to connect people to nature through recreational and educational activities while fostering a passion for environmental conservation, animal habitat, and protection of natural resources.

The Anne Springs Close Greenway is fortunate to be supported by our local corporate and business community. We work to provide unique partnership opportunities for all, from small businesses to larger corporations, our goal to increase financial support of the Greenway while engaging our partners and their employees and customers in meaningful ways.

PARTNERING WITH THE GREENWAY IS GOOD BUSINESS

A Greenway partnership is beneficial to the whole company. Research shows that corporations with an emphasis on wellness programs positively impact the workforce in the following ways...
