

# MEET THE CATTLE

**Crandall Bowles  
Family Farm**

AT ANNE SPRINGS CLOSE GREENWAY

**BIRTHDAY:** December 26, 2022

**BREED:** Texas long horn steer

**COLORING:** White and red

**FAVORITE THING:** Neck scratches

**BEST FRIEND:** YOU!

**BABY THAMES**

## **BABY THAMES'S STORY**

Baby Thames, affectionally known as Baby T or Baby, was a stillborn calf. A local vet, Dr. Thames, performed a procedure called the Madigan Squeeze to save his life. Unfortunately, the mother cow thought she had lost her baby, so Baby T had to be bottle raised. He traveled to the Greenway in the backseat of a Honda Accord to begin a happy life at the Children's Farm.

Give Baby T a hearty scratch under the chin and you will quickly become his favorite person. Just watch out for the large horns his breed was named for - he is still growing into them and they can pack a powerful punch!

AT ANNE SPRINGS CLOSE GREENWAY

**BIRTHDAY:** May 2021

**BREED:** Scottish Highland steer

**COLORING:** Red

**FAVORITE THING:** Swimming

**BEST FRIEND:** Baby T

**WINKI DINK**

**HIS NICKNAME IS "CLIFFORD"**

## WINKI DINK'S STORY

Scottish Highland cattle are the oldest registered breed of cattle in the world, first recorded in the Outer Hebrides in the 6th Century. A hardy breed that can withstand mountain winters, Highlands have distinctive horns and long, wavy, wooly coats. They are known for their fantastic temperaments and are very docile animals.

Like all Highland cattle, Winki Dink, has long fringed hair, known as a dossan, covering his eyes. Next time you need inspiration for the perfect haircut with bangs, take a photo of Winki Dink with you!

**WISH**

**BIRTHDAY:** February 18, 2020

**BREED:** Angus/Holstein cross

**COLORING:** Black

**FAVORITE THING:** Banana

**BEST FRIEND:** Clarabelle

**WISH & BILLY**

## WISH'S STORY

Wish was born at the Anne Springs Close Greenway. Her mom, Annabelle, passed away in September 2020, leaving Wish an orphan. Wish grew up with human best friends and horses in the Greenway's Dairy Barn pastures. As a tenderhearted cow, Wish helped raise another orphaned bottle calf who lived at the Greenway, named Billy.

Wish moved to the Children's Farm in April 2024. She enjoys making new friends, both four-legged and human, and she cannot wait to meet you!

**CLARABELLE**

**BIRTHDAY:** September 2020

**BREED:** Holstein

**COLORING:** Black and white

**FAVORITE THING:** Meeting YOU!

**BEST FRIEND:** Wish

## CLARABELLE'S STORY

Holsteins are the most common breed of dairy cow in the world. They are also famous for their gentle, friendly demeanor, making them great companions on farms.

Clarabelle was rehomed to the Anne Springs Close Greenway in 2022 because she could not produce enough milk. She grew quickly in the pasture at the Dairy Barn entrance before moving to the Crandall Bowles Children's Farm in April 2024. She loves an afternoon nap in the sun after a morning of grazing.
