

MEET THE LLAMA

Crandall Bowles
Family Farm

AT ANNE SPRINGS CLOSE GREENWAY

BIRTHDAY: August 1, 2022

BREED: Llama

COLORING: Brown with one white leg

FAVORITE THING: Staring at visitors

LLARY

LLARY'S STORY

Llary was originally a guardian animal for the alpacas but he preferred having his own space to protect a herd without other large males challenging him for dominance. He is now a guardian animal for the pigs. Llary likes being the "big guy" in the pen with the pigs, but can still see and talk to his old friends (and foes) in the alpaca pasture.
