Instructions for Afterschool on the Greenway (AOTG) Priority Registration

Priority registration involves the following 2-step process. You must complete **BOTH** steps to complete enrollment for the afterschool program.

Step 1: Register in EZ Child Track (must be complete by March 31)

- **New Parents:** If your child has never attended a Greenway program, open an account at ezchildtrack.com/ascgreenway/parent and register your child in the FMSD staff – 2025-26 active accounts.
- **Returning Parents:** If you have previously enrolled your child in a Greenway program in EZChildTrack, you can now register for the FMSD staff – 2025-26 active accounts at ezchildtrack.com/ascgreenway/parent.
- Upload a copy of your current FMSD badge or a copy of your employment contract for the 2025-26 school year.
- Complete this step by March 31 to ensure your application is approved before it is time for Step 2.

*Registration and acceptance in this program are mandatory to have access to register for afterschool programming during priority registration. If this step is missed, you will not have access to priority registration.

Step 2: Begins April 15, at 8:00am

- Beginning Tuesday, April 15 at 8:00am, you will be able to take advantage of priority registration for the Afterschool on the Greenway 2025-26 Program by clicking on the same link highlighted above: www.ezchildtrack.com/ascgreenway/parent.
- Please log into your created account and register before we open to the public on April 17.

**Please note that this second step is necessary for your child(ren) to be registered in the Afterschool on the Greenway program. Step 1 simply gives you access to priority registration and will not register your child(ren) in the program.*

Additional Things to note:

- Both steps 1 & 2 are necessary for your child(ren) to be enrolled in the program during the priority registration period.
- As an FMSD employee, you receive a 20% discount on AOTG tuition. Tuition for the 2025-2026 school year is \$110 per week.
- A \$100 registration fee is due at the time of registration in the AOTG Program.
- You will need to fill out all pertinent information for you and your family at the time of registration; this includes emergency pickups, medical information, etc.

For further questions, please visit our web page at <https://www.ascgreenway.org/learn/afterschool-programs/> or email afterschool@ascgreenway.org.
