Showcasing the finest restaurants and culinary artists in York County, The Taste of Fort Mill features a cornucopia of delicious offerings to more than 700 guests each year. Held outdoors at the picturesque Lake Haigler entrance, this event gives businesses an exceptional platform to display their talents and community spirit. Funds raised benefit the Anne Spring's Close Greenway's operations, ensuring its 2,100 acres of natural beauty are protected for years to come.

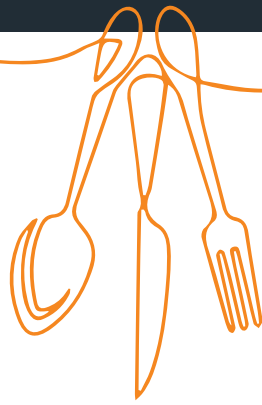

Anne Springs Close Greenway

The Anne Springs Close GreenwaySM, owned and operated by Leroy Springs & Company, Inc.(LSC), is committed to connecting people to nature through recreational and educational activities that foster a passion for the outdoors. Gifts from donors, corporate partners and members, help us continue to share our mission, care for our 2,100 acres and remain a community leader in education and conservation programming.

For more than 80 years, LSC has provided affordable, quality recreation and community activities and facilities in the region home to the historic Springs Cotton Mills. Today, we strive to make similar recreation opportunities accessible for the next generation.
